

Loading the dataset:

The screenshot displays the IBM Cognos Analytics with Watson web application. The browser's address bar shows the URL `us3.ca.analytics.ibm.com/bi/?perspective=home`. The application header includes the title "IBM Cognos Analytics with Watson", a notification bell with 27 alerts, and a search bar. A maintenance notification states "Maintenance: Scheduled maintenance completed. Click here for details." A progress bar indicates the upload of "Analyzing Inventory Management dataset.zip" is in progress, with "Cancel" and "Details" links. The main content area features a welcome message: "Hello. Welcome to Cognos Analytics with Watson." Below this, it suggests getting started with an introduction video, product tour, or Getting Started tab. Two buttons, "Watch video" and "Take a product tour", are provided. To the right is a large graphic of blue cubes representing data. Below the main content is a "Quick launch" section with four tiles: "Upload data" (with an upward arrow icon), "Prepare data" (with a cube icon), "Exploration" (with a magnifying glass icon), and "Present data" (with a bar chart icon). Each tile contains a brief description of its function. The Windows taskbar at the bottom shows the search bar, task view button, and several open applications including Edge, File Explorer, and Excel. The system tray on the right shows the date and time as 12:06 PM on 11/7/2022, along with weather and connectivity icons.
